Ohio Republican Party C00162339

April 2004 monthly report due May 20, 2004

I have sent an amendment to this report to further clarify disbursements made for phone banks. In error I reported these to be for the Bush/Cheney 04 campaign. These lines are being used for generic home grown get-out-the-vote and voter registration activities. I have corrected the disbursements to reflect this clarification.

Sincerely,  
Terri Matthews  
Controller
